

Whole Hearted Partner Programme Terms and Conditions.

The Whole Hearted Partner Program is a service offered by Naked Truth Project, part of Visible Ministries. We are a charity seeking to Open Eyes and Free Lives From the Damaging Impact of Pornography

Subscription

The Whole Hearted Partner Program subscription you choose will give you access to a number of services. Depending on which subscription you choose, those options will be different.

Starter Subscription: provides access to weekly coaching support groups with specially trained partner coaches. Included in this subscription is a discount (as outlined in your welcome email) on all other Whole Hearted services.

All Access Subscription: provides an 'all in' option whereby your monthly subscription charge grants you access to all Whole Hearted services. You may participate in weekly coaching support groups, monthly webinars and ONE workbook/topic group at one time.

Payment

As a Whole Hearted subscriber, you agree to pay the subscription fee monthly, one month in advance, via the payment terms agreed to at sign up. Access to services is dependent upon the maintenance of your subscription fees. Your subscription will be terminated if fees are not kept up to date (see Termination).

Cancellation

If you wish to cancel your subscription, you may do so once the minimum term of 2 months has been fulfilled. At this stage, your subscription moves to a month by month subscription and cancellation will result in termination of your access from one month after your final payment is made. You may not terminate your monthly subscription whilst participating in an ongoing group. If you are in an active group, you must continue to pay the subscription charge until that group is finished, otherwise you will be asked for payment the full cost of the group (if it were purchased without a subscription).

Termination

Naked Truth Project reserves the right to terminate your Whole Hearted Partner Program subscription immediately in the case of non payment. Should we need to terminate your subscription for any other reason, we will provide a minimum notice period of one month.

Weekly coaching groups

Weekly coaching groups are scheduled only at the date/time detailed in our weekly coaching group schedule. When taking a subscription, you are signing up for those sessions only (plus any that are added as we grow). If you are unable to attend, for any reason, you will still be charged the monthly subscription fee in full. Please see below for details of changes to services.

Changes to services as part of a subscription

Occasionally, circumstances may call for changes to be made to the services offered (including dates and times of support sessions and webinars etc). We will notify you of this as soon as it is

reasonably appropriate to do so. We will always offer an alternative option to replace the service that is unavailable. If you are unable to access the alternative service but wish to remain a subscriber, no refund or partial refund will be offered.

Failure to provide services

Naked Truth Project shall not be held liable for failure of or delay in performing its obligations under this Agreement if such failure or delay is the result of an act of God, such as earthquake, hurricane, tornado, flooding, or another natural disaster, or in the case of war, action of foreign enemies, terrorist activities, labor dispute or strike, government sanction, blockage, embargo, or failure of electrical service. The non-performing party must make every reasonable attempt to minimize delay of performance. In the event *force majeure* continues longer than 30 days, either party may terminate the Agreement, repaying the full amount of the subscription within 10 days of a termination notice.

Liability

Our total liability to you shall not exceed £5million. Our total liability includes liability in contract, tort (including negligence), breach of statutory duty, or otherwise, arising under or in connection with your subscription.
